

CHART, ANALYZE & TRADE!

INTRODUCING **nimbletrader** Chart • Analyze • Trade

Dear Friends,

We are glad to introduce a new Trading Platform called Nimble Trader exclusive for our trader clients in derivative segments.

Platform Highlights:

- Multiple time frame Live Charts powered with various advance studies/Technical Analysis
- Fast Order Entry at just one Click
- Buy and Sell directly from chart
- Write your own studies and Back test the performance of your own Studies
- Scanner to filter the stocks based on studies
- Customize Alerts based on your studies
- Insta Trade: Convert your Alerts into an order with predefined order window and one click to execute the same.
- Customise-Multiple windows on one screen

Charges:

For First Time User: Rs. 1,000/- + Service tax for 1st month (Will be waived off if the brokerage generated in first month is Rs. 1,000/- or more.)

From 2nd Month Onwards and existing users: Rs. 1,000/- per month + Service tax. (Will be waived off if the brokerage generated in that month is Rs. 10,000/- or more.)

While calculating charges: Activation done in first half of the month would be counted as full month and activation done in second half of the month will be clubbed with the next month.

How to Download exe.:

Step 1: Go to www.rathi.com

Step 2: Click on QUICK LINKS (top right hand corner) >>DOWNLOADS

Step 3: Download "Nimble Trader Setup"

After successful installation of the exe, you have to register with nimble trader by just entering name and email-id

To Activate:

- Call on our toll free numbers 1800 200 1002 / 1800 121 1003 or mail to customersupport@rathi.com with the subject "ACTIVATE Nimble Trader" followed by "Trading Code".The account would be activated by end of the next working day.
- Alternatively, you may contact your Dealer/Relationship Manager/Nearest Branch for assistance in activation.

Thank you,

AnandRathi Investment Services
